Changzhou Yinhua Automobile Production Limited Company was founded in 1996, which is dedicated to producing and developing automobile decorations, accessories, and customization. The company is located at Menghe Town, Changzhou, a scenic city well-known for its huge industrial car production throughout China, which guarantees the company an advantaged resource base. In addition to that, the company keeps exploring and reflecting on itself, thus leading to a perfection on production technologies and a system that can quickly respond to the up-to-date trend and demand in the market.

With over 20 years of real-life experiences, Changzhou Yinhua has been practicing the belief that quality makes the future, improving the service system, and strictly implementing the ISO9001 International Quality Standard as well as 3C Nationally Acknowledged Standard. The company bases itself off of integrity and sincerity, and devotes itself to realizing and transcending the expectation from customers, clients, and cooperators.

Confronting both opportunity and challenges in the 21st century, Changzhou Yinhua has established and adhered to the principle that self-advance comes before company performances, and improvement on production outweighs pursuit of extravagant life. With faith and confidence in themselves, the collective staff in Changzhou Yinhua will continuously pay attention to worldwide development of car industry and adopt critical and open minds, as well as contribute time and effort to the cause of improving the entire car businesses.
